

Hello ladies (and gentlemen). Welcome to the website of the Ector County Republican Women. My name is Darla Louvin and I am the Texas Federation of Republican Women District Director for Senate District #31. It is my pleasure to represent and serve the clubs of our district at all board meetings of the TFRW. My duties include attending quarterly board meetings and issuing reports regarding the exciting and successful events that are taking place within each club of our senate district. This is a time for me to make the leadership of TFRW aware of all the hard work that you all are doing on behalf of the Republican Party and our communities. During these meetings we exchange ideas and thoughts on how to encourage, grow and make our clubs more effective in the chosen endeavors of that particular club. There are many opportunities and a vast array of programs for each club to be involved in. The club President is to guide each club in the programs of their choosing and to implement a workable plan to achieve the desired results. This is a challenging and time consuming responsibility for your club President so ladies get behind her and offer your support and encouragement. We are all needed to make our clubs effective and better so PARTICIPATE in all that your club has undertaken.

Once again, it is my pleasure to serve you and TFRW and I thank you for the opportunity. Should you have any concerns or questions you can contact me anytime at the following address and numbers.
